Dr. Oscar Mendez, MD

BOARD CERTIFIED DOCTOR ELEVATES HEALTH CARE TO HIGHEST LEVEL

Dr. Oscar Mendez dedicates himself to making sure that patients receive the best possible medical attention.

Dr. Mendez, among the known Latino Board Certified doctors in South Florida, obtained his medical degree from the Universidad Libre de Colombia.

"This profession provides me the opportunity to be close and work with families, the elderly and the community -- those who need medical care the most," said Dr. Oscar Mendez. "It gives me the opportunity to apply the latest advance technology in the medical field for superior treatment outcomes. For me, what counts most is patient's health and well-being."

"We make sure correct diagnosis and treatment procedures are given patients," explained Dr. Mendez. "We make it a priority to take time to explain these to the patient so they understand what is necessary."

"For example, for our geriatric patients, we explain each medication to the family, making sure that we are all aware of what is important to the patient's medical care"

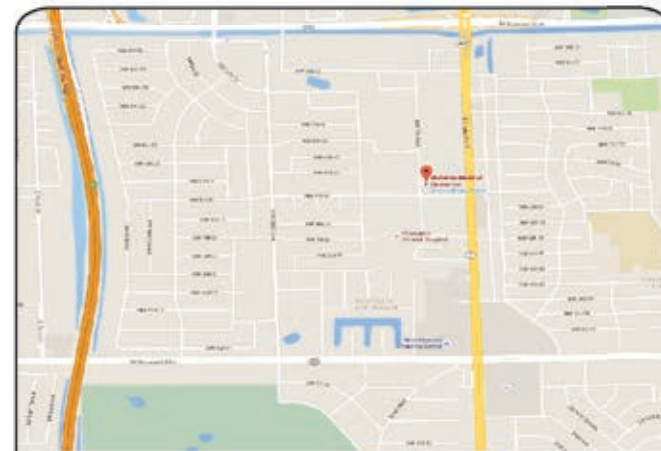

Dr. Mendez Family Practice provides quality healthcare to the entire family that includes back-to-school checkups, echocardiograms, sonograms, x-rays, lab work, full woman exams. A wide variety of insurance plans are accepted including Medicare, Medicaid, Private Insurance, and most major health plans.
